Mr. & Miss Bay High

Miss Bay High is Carolyn Watts. She is the daughter of Mr. & Mrs. Douglas Watts of Bay St. Louis. Carolyn has been a member of YMCA for four years and served as treasurer in her junior year. She has been a member of Students Against Drunk Driving for three years and served as marketing executive her sophomore year. She's a three year member of the Student Council, French Club, and the Yearbook Staff for which she served as co-editor and is now editor. She served on the Princess Shop Teen Board and presently she is on the Gayfer Girls' Teen Board. She was Bay High's representative for the Hancock County Chamber of Commerce, listed in Who's Who Among American High School Students, and a Governor's School Ambassador. She received the National History and Government Award her junior year. She is a two year member of the National Honor Society. Her hobbies include art and going out with her friends. Carolyn was a 1992 homecoming maid, and was selected Bay High's Most Beautiful Girl.

Mr. Bay High is Stephen Patrick Dunne. He is the son of Dee Dunne of Bay St. Louis, and Steve Dunne of Galveston, Texas. He has been an active member of Students Against Drunk Driving, YMCA, and the Spanish Club for the past three years. This year he is involved in Improv, the Big Brother/Sister Program, and D.E.C.A. Stephen has a brown belt in karate and has raced motor-cross all his life. His hobbies include jet skiing, surfing, wind surfing, riding dirt bikes, and going out with his friends. Stephen was also selected as Bay High's Most Handsome Boy.

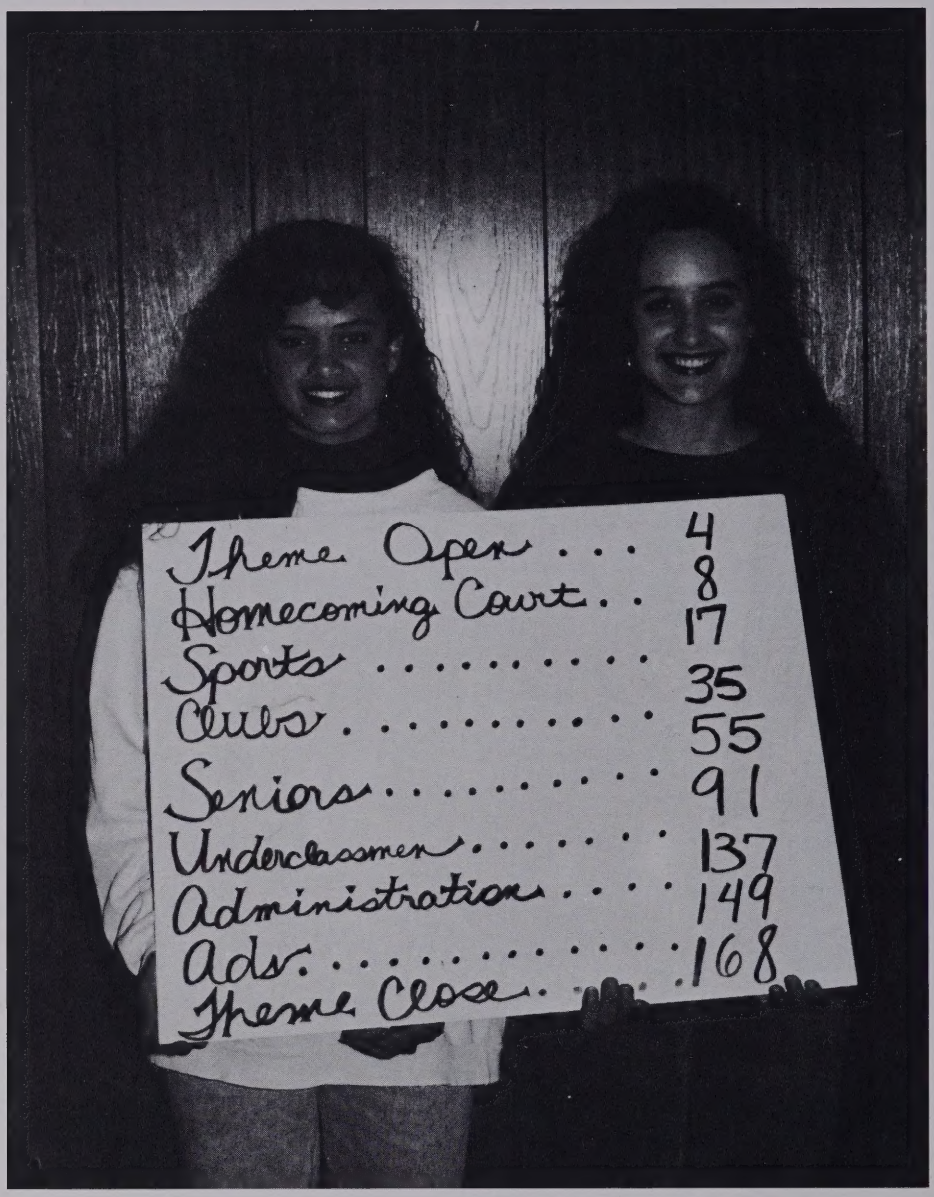

Table of Contents

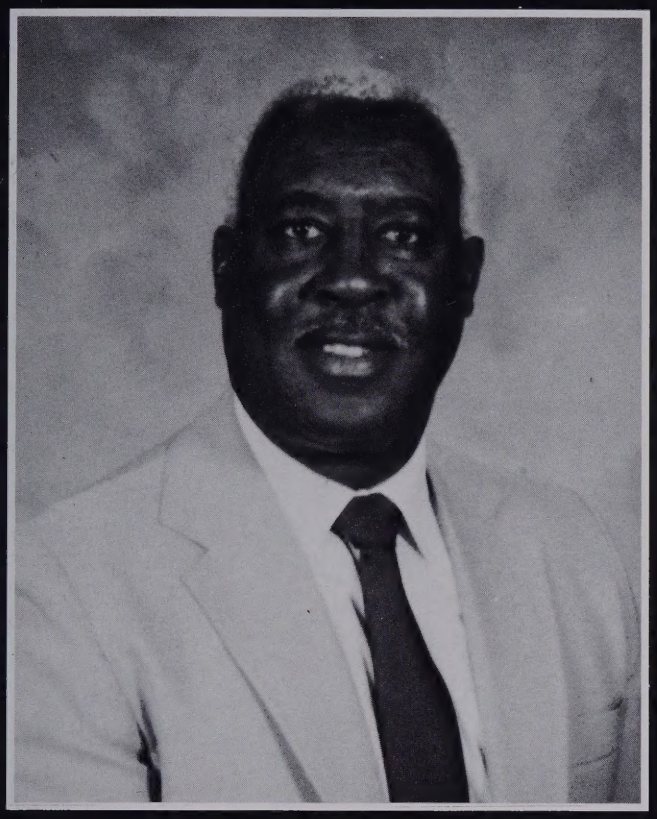

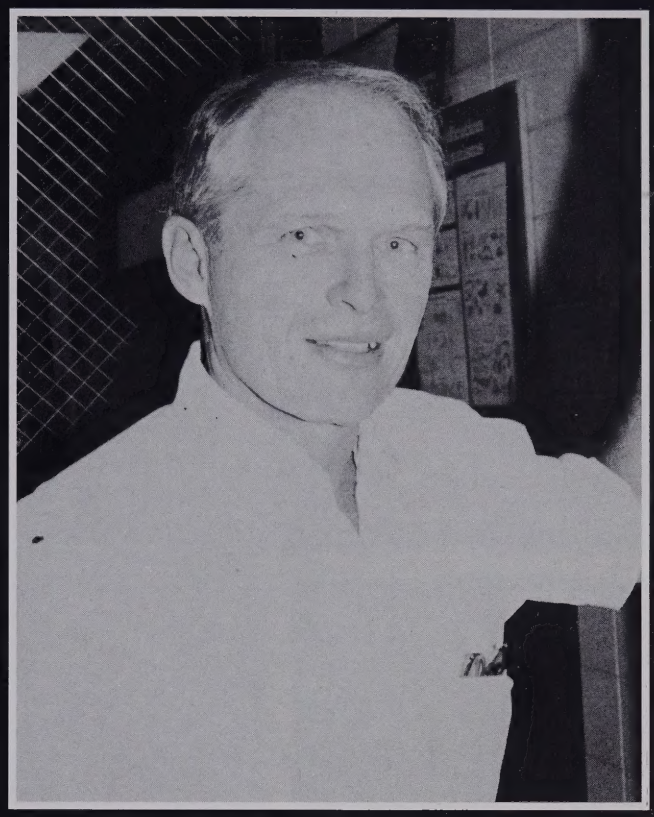

We Dedicate This Book To . . .

Mr. James, who has served as our principal . . .

Mr. Roger L. James started his educational career at Jones College and graduated from there in 1956. He went to college at Alcorn State University and graduated in 1961 with his B.S. and in 1967 he graduated from Southern with his M.S. degree. Mr. James also earned his Specialist degree from the University of Southern Mississippi in 1969.

During his 28 years in the Bay-Waveland School System, Mr. James has served as our teacher, Guidance Counselor, Assistant Principal at Bay Jr. High, Principal at North Bay Elementary, and for the past 5 years he has served as Principal at Bay High.

When asked why he came to Bay High, Mr. James' response was, "I felt it was a challenge to motivate young people into better men and women."

Mr. James' hobbies are: reading, gardening, and fishing.

Mr. James enjoys his life with his wife Lulu S. James and their 4 children Marie, Roger, Stacey and Tracey.

Mr. James is also respected by students at Bay High and we're glad he made it safely back from Saudi Arabia.

Mr. Blanchette, who has been an exceptional biology teacher . . .

Mr. John Blanchette started his education by attending Jones Jr. College and received his General Associated Arts degree within two years. Mr. Blanchette then attended the University of Southern Mississippi where he received his Educational Major in Biology.

Throughout Mr. Blanchette's 29 years here at Bay High, he has been a biology teacher, a bus driver, and in his spare time a commercial fisherman.

Even though Mr. Blanchette has many hobbies, his favorite is bow hunting.

When asked why he chose Bay High, his response was, "I did my student teaching here and I like the people."

Mr. Blanchette shares his wonderful life with his wife Mary Ann and their two children Jason and DeShea.

As at home, Mr. Blanchette is also loved and respected by students at Bay High.

Foreign Friends

Moises Cohen is from Valencia, Spain. His host family is the Bouganims.

Activities Moises has been involved in are SADD, basketball, YMCA, Spanish Club, SADD talent show, and powder puff cheerleading. Some of his hobbies include soccer, skiing, karate, horseback riding, traveling aboard, writing to Gretchen O'Brien, eating at McDonald's, and listening to rap music.

Moises' plans when he goes back home are to go to college and study Chemistry and to become a very famous Chemist and play basketball. He says he plans to come back to America to go to an American college for a year.

His opinion of Bay High compared to his school back home is that Bay High has lockers, the students change classes instead of the teachers, TV's in the classroom, a lot of clubs. Bay High is more modern, the teachers are understanding, and the students don't have to buy their textbooks.

Moises' impression of American students is that they live to work and go to school, not to have fun until they are older. Plus, they don't like to do any research, but they normally pay attention. American life is very fast; they just want to work, make money, spend the money, and go back to work.

His camparison of America and Spain is that he loves his country and to him it is number one, but he realizes that America is a good country also, to him it is number two. To Moises the difference between the two is huge. Americans have more money, but, in Spain they spend it on fun things. People have a different mentality in America, but he likes the way Spain is because he is used to it. One thing he loves is that Americans can drive when they are fifteen and the girls.

Moises would like to thank all of his friends in the USA for making this year a great year.

Magnus Vindegg is from Oslo, the capital of Norway. His host family is Bill and Janet Power.

The activities Magnus has been involved in are Youth to Youth, and the Big Brother/Sister Program. Some of his hobbies include drawing, reading, mountain biking, pool, writing pen-pals, going to parties, and being with friends.

Magnus' opinion of Bay High compared to his school back home is that Bay High's discipline is stricter, the tests are easier, and the people are more open and friendly.

His impression of American student life is fast, fun, and free.

His honest opinion is if it hadn't been for Norwegian snow, mountains, and drinks, the U.S. would have been the best.

Senior 10 Laws of the Jungle

1. Thou shall push, shove and scream people out of your way to the front of the lunch line and then complain about the food.

2. Thou shall ignore all underclassmen (unless they are good looking, have money and buy you things).

3. Thou shall throw underclassmen books out of Senior top lockers.

4. Thou shall sleep in class, drool on the desk, and walk around with sleep marks across your face.

5. Thou shall abuse all senior privileges and make up new ones to keep out of trouble.

6. Thou shall pass class without even knowing what class it is.

7. Thou shall not get busted skipping, smoking, cursing, eating, and scratching in odd places.

8. Thou shall be obnoxious to whomever, whenever, and where ever.

9. Thou shall put off everything until the last minute.

10. Thou shall graduate!

1993 Tiger Editors

The 1993 Yearbook Staff hopes that we have managed to captivate some of your memories throughout this 1992-1993 school year. We choose our theme, "Where the Wild Things Are," because it reminded us of our school. We would like to thank Mrs. Holly Saolters for all of her patience and time she has put in the yearbook, the Tiger Yearbook Staff for their time and outstanding effort, and you the student body, without you we wouldn't have a yearbook. So, when you think of Bay High, don't forget that's "Where the Wild Things Are."
